CS 4873 Computing, Society, and Professionalism (Spring 2020)
Week 5 (Feb 3, 5, 2020) Section Guide

0. TA will give out printed copies of the section handout (class activities) to each student

I. TA to note that the handout also includes a copy of the ACM Code of Conduct.

II. Questions (5 min)
- Remember each class to bring a question, observation or relevant news item for discussion

III. Work on Class Activity 1 on your own and apply the virtue ethics theory to arrive at an answer. Then discuss it with the classmate next to you. After that, present the views you together came up with to the rest of the section. TA to moderate the discussion. (15 min)

IV. TA to briefly recap all of the ethical theories covered in class this far, except professional ethics. Work on Class Activity 2 on your own, using different theories to refute each argument in question. Discuss this with the classmate sitting next to you and collaboratively present your answer to the rest of the section. TA to moderate the discussion. (15 min)

V. Work on Class Activity 3 and 4, both of which are about the ACM Code of Conduct. Refer to the handout that describes the Code, if needed while you work on your answer. Present your answer to the rest of the section and discuss it with your classmates. TA to moderate the discussion. (15 + 15 min)
