

**CS 4873 Computing, Society, and Professionalism (Spring 2020)**  
**Week 7 (Feb 17, 19, 2020) Section Guide**

0. TA will give out printed copies of the section handout (class activities) to each student

I. Questions (5 min)

- Remember each class to bring a question, observation or relevant news item for discussion

II. Work on Class Activity 1 on your own to arrive at an answer. Then discuss it with the classmate next to you. After that, present the views you together came up with to the rest of the section. TA to moderate the discussion. (15 min)

III. Work on Class Activity 2 with the classmate next to you. After that, present the views you together came up with to the rest of the section. TA to moderate the discussion. (15 min)

IV. Technology and Policing (15 min)

- How do we balance the needs of police to investigate crimes and the public's right to privacy?
- Today, our privacy is protected by the sheer incompetence of government information technology
  - If we were to make a well designed IT system for police, what privacy protections would it need?

V. Follow up on Term Paper Proposals (15 min)

- What was your term paper proposal about?
- Why did you pick it?
- What made you feel you were undecided?
