CS 4873-A Computing, Society, and Professionalism (Spring 2021)
Week 7 Section Guide

0. TA to point the section exercise (class activities) and section discussion guide links from the course website to all of the students via BlueJeans

I. Questions (5 min)
- Remember each class to bring a question, observation or relevant news item for discussion

II. Work individually on as many of the sample midterm exercises, given here:
http://www.munmund.net/courses/spring2020/Midterm_review_exercises.pdf (30 min)
- TA to help students brainstorm answers to the questions

III. Writing midterm questions (20 min)
Assign each pair (or group of 3) students two to three of the classes that have taken place so far (use BlueJeans break-out rooms feature).
- Ask them working together to write a good question for the midterm based on that material
- Discuss each question as a group and critique
- Present the question to the rest of the students in the section and brainstorm possible answer(s)

IV. TA to inquire students how the virtual instruction format is going, and gather any feedback.
