

CS 4873-A Computing, Society, and Professionalism (Spring 2021)
Week 9 Section Guide

O. TA to point the section exercise (class activities) and section discussion guide links from the course website to all of the students via BlueJeans

I. Work on Class Activity 1 on your own to arrive at an answer. After that, present the views you came up with to the rest of the section. TA to moderate the discussion. (10 min)

II. Work on Class Activity 2. After that, present the views you together came up with to the rest of the section. TA to moderate the discussion. (10 min)

III. Work on Class Activity 3. After that, present the views you together came up with to the rest of the section. TA to moderate the discussion. (15 min)

IV. Technology and Policing (15 min)

- How do we balance the needs of police to investigate crimes and the public's right to privacy?
- Today, our privacy is protected by the sheer incompetence of government information technology
 - If we were to make a well-designed IT system for police, what privacy protections would it need?

V. TA to point students to Homework Assignment IV due on March 26, 2021 at 11:59pm ET and Term Paper Outline due on April 2, 2021 at 11:59pm ET – PDFs available on the course website. TA to solicit questions from students on either of the two deliverables. (15 min)

VI. TA to remind students that there are no sections next week, since one of the "Spring Break" days falls on one of the recitation days. (2 min)
