CS 3001-A Computing, Society, and Professionalism (Spring 2024)
Week 14 Section Guide

0. TA to point the section exercise (class activities) and section discussion guide links from the course website to all of the students

I. Work on Class Activity 1 on your own/in small groups to arrive at an answer. After that, present the views you came up with to the rest of the section. TA to moderate the discussion. (15 min)

II. Work on Class Activity 2 on your own/in small groups to arrive at an answer. After that, present the views you came up with to the rest of the section. TA to moderate the discussion. (15 min)

III. Any remaining questions about the term paper presentations on April 22? Any questions about the in-person final exam?

IV. TAs will check on term paper progress (5 min):

- How is your term paper research going?
- What did you learn that surprised you?
- What do you still want to learn more about?
- Have you found enough high-quality references?

V. Inform students that there will be a final exam question writing and solving session during Week 15's discussion section (10 min)
